6:30 COLOR NEWS, WEATHER, OPINIONS, LATEST DD

The Long Con: In a 5 part series posted by **u/con101smd** and written in conjunction with several wrinkle brain apes comes a DD that ties in crypto money laundering.

Death Spiral: The latest from **u/Criand** looks at NSCC-002 and what it means for the T+21/T+35 cycle.

9:30 LIVE MARKET OPENS

Time to start BUYing shares of GME.

10:00 SPECIAL COOKING CHANNEL

Muffin Mania: Be on the lookout for an ape in the Daily Discussion and other threads working muffins into the conversation. Ask **u/TheMuffinMan1291** for recipes.

10:30 COLOR TRAVEL CHANNEL

Spanish Retreat: **u/BadassTrader**'s wife suggested they spend their life savings on holiday in Spain this summer. He's suggesting skiing at Christmas. Spanish apes in the comments are sorting him with a place in case she has her heart set on Spain.

11:30 SPECIAL RESEARCH HOUR

Behaviroism Girl: The newest perspective comes from **u/Csmbird** on the subject of behaviors from all parties involved.

Afternoon

1:00 COLOR REVERSE REPO HOUR

Daily Reverse Repo Update: New high scores posted daily by **u/pctracer** and the top comment in that thread is likely to be from **u/LeftHandedWave**, better known as the Table guy, who lays things out...in a table.

Battle of the High Score Guys: There is a friendly competition brewing between two users as they each post outstanding video game representations of the reverse repo high scores. You can participate by using your upvote crayon. SuperStonk Guide will track the results of their upvotes daily:
